

RIDE CINCINNATI

SEPTEMBER 17-20, 2020

DEAR RIDE CINCINNATI COMMUNITY:

Thanks to your support over the past 13 years, Ride Cincinnati has been able to raise millions of dollars for life-saving cancer research.

While we are certainly adapting to the significant impact of COVID-19, we remain focused on our commitment to end cancer. In fact, we believe that the good work of our riders and volunteers can serve as a source of connection and inspiration to our community during these difficult times. Thus, we remain optimistic about riding together this September. Having said that, our first priority will always remain the safety and good health of our community, and we are therefore monitoring COVID-19 developments closely.

In our commitment to elevating your Ride Cincinnati experience each year, our team is diligently planning for our **Opening Ceremony celebration the evening of Thursday, September 17th.** We are also working on a number of route and venue enhancements for the **ride on Sunday, September 20th.** Please stay tuned for more exciting updates to come.

Since circumstances related to COVID-19 are changing rapidly on both a local and national basis, we will provide ride-related updates as appropriate. As ours is an early autumn ride, with many cause-related and community rides scheduled throughout the summer months, our team is closely monitoring best practices to make adjustments as needed. In the meantime, thank you for your patience and support and we look forward to seeing you on the road!!

The Ride Cincinnati Team

JOIN THE RIDE. **CHANGE THE STORY.**
